WHEN YOU ARE INJURED, IT HURTS TO WAIT FOR CARE

Whether it is a broken bone, a sports injury or any other orthopaedic emergency, you need care immediately. Many times it is difficult to obtain urgent orthopedic treatment. That's why we began Watauga Orthopaedics Quick Care Center – a completely new way to receive the orthopaedic care you need, when you need it.

Watauga Orthopaedics Quick Care Center is a “clinic within a clinic.” We focus on treating Orthopaedic injuries such a breaks, strains and sprains when you need treatment – without the wait and cost of an emergency room visit.

Excellent Treatment, Compassionate Care

The Quick Care Center is a dedicated urgent orthopaedic care unit which Watauga Orthopaedics designed to meet the needs of our patients. We give you the compassionate, comprehensive and convenient care we are

know for by bringing together the areas best orthopaedic physicians and physician assistants.

Our orthopaedic physicians bring you state of the art care in all aspects of orthopaedic medicine. New advances in orthopedic care and physical therapy can mean shorter recovery times – getting you out of the doctor's office and back to your life!

Watauga Orthopaedics Comprehensive Facility

Watauga Orthopaedics continues to raise the standard of musculoskeletal care in Northeast Tennessee/Southwest Virginia. As a patient, you'll receive diagnostic, treatment and follow up care in the region's most advanced orthopaedic clinic.

- Complete Diagnostic and MRI Facilities
- Physical Therapy / Hand Therapy / Rehabilitation
- Access to state of the art surgery centers

We've Made It Easy

When you need urgent orthopaedic care, just call us. You'll be seen by an orthopaedic surgeon and obtain the treatment that you need quickly and efficiently without the cost and wait at the emergency room.
