

# COVID-19 ACTION PLAN

What we're doing to keep you safe

## Cleaning and Disinfecting Guidelines

### After every patient visit:

Using appropriate disinfectant materials to clean/disinfect the following:

Exam rooms:

- Exam tables
- Chairs/stools
- Cabinets/countertops
- Doorknobs
- Step stools
- Wheelchairs

Any other surface the patient/visitor may have come in contact with during their visit

### Every 2 hours:

Using appropriate disinfectant materials to clean/disinfect the following:

- All cabinets and desks at lobby, check in/out, clinical stations, work stations, break rooms
- Chairs and armrests in lobby, check in/out, clinical stations, work stations, break rooms
- Wheelchairs
- Doorknobs on every interior/exterior door that is utilized at your facility
- Pens/clipboards (keep used/dirty pens in separate container to be sanitized)
- Keyboard/mouse (avoid using a mouse pad if possible as these cannot be easily sanitized)
- Phones
- Credit card machines/scanners
- Sinks/faucets/soap and paper towel dispensers

Any other surface in a high traffic/frequently touched area

## SPECIAL MESSAGE — BEFORE YOUR VISIT

Watauga Orthopaedics wants to keep you healthy. When you visit our office, please bring your own mask/face-covering to wear during your visit. If you do not have a mask to wear, please know you may be asked to wait in your car until an exam room is available and/or to come in through a different entrance to better protect you and our other patients. Please also limit companions accompanying you to no more than 1 visitor per patient unless there are extenuating circumstances. Please do not come directly to the office if you have a fever, cough, or flu symptoms, if you have traveled internationally in the past two weeks, or if you have been in close proximity of anyone with a confirmed or presumed positive case of COVID-19. We appreciate your consideration as we continue to safely provide you with the best care possible.

Thank you for choosing Watauga Orthopaedics.
